## SC 2.500 Steam Cleaner

The SC 2.500 steam cleaner is suitable for cleaning kitchens, bathrooms, floors, windows, shower cubicles, glass, taps, tiles, grouting, stove elements and glass ceramic hobs. This steam cleaner not only removes stubborn dirt, lime residue and grease deposits, but also kills 99.99% of household germs. The detail nozzle and round brush clean in the smallest cracks and crevices in bathrooms and showers, while the floor tool is great for cleaning almost any hard floors. The two tank system can be continuously filled without the need to interrupt your work, ideal for homes with larger hard surface flooring.

- Chemical free, hygienic and environmentally friendly with exceptional results
- Cleans quicker and more efficiently than conventional cleaning
- Kills 99.99% of household bacteria
- Two tank system for continuous operation
- Steam control on handle
- Convenient accessories
- Childproof safety lock

## SC 1 Premium Steam Cleaner

This handheld steam cleaner is suitable for cleaning fittings, tiles, hobs or extractor hoods: virtually almost all hard surfaces around the home without chemicals. The extension hose makes it easier to clean hard-to-reach areas such as in corners and niches. This handheld steam cleaner not only removes stubborn dirt, lime residue and grease deposits, but also kills 99.99% of household germs. This device is ideal for quick cleaning and allows space-saving storage. The extensive accessory line and powerful steam ensure perfect hygiene.

- Chemical free, hygienic and environmentally friendly with exceptional results
- Cleans quicker and more efficiently than conventional cleaning
- Kills 99.99% of household bacteria
- Fast heat up time
- Convenient accessories
- Childproof safety lock

### Technical Data

Heating output	w.	1200	Heating time	min.	3
Max. steam pressure	bar.	3.0	Weight without accessories	kg.	1.5
Boiler capacity	L.	0.2			

### Equipment

Hand tool, detail nozzle, round brush & power nozzle	✓	Terry cloth cover for hand tool	✓
Two year warranty	✓	Part No.	1.516-225.0

## Steam Cleaner Accessories

### Steam Cleaner Microfibre Cloth 2 pack

This high-quality microfibre cover makes sure that dirt doesn't have a chance and, thanks to the abrasive fibres, it easily removes even the most stubborn stains.

Part no. 6.905-921.0

### Floor Tool Terry Cloth 5 pack

The replacement set contains five lint-free, highly absorbent and heavy-duty floor cleaning cloths made of premium cotton. These are simply attached to the floor nozzle to achieve powerful and effective cleaning of tile, natural stone, linoleum and PVC flooring.

Part no. 6.369-357.0

### Mixed Terry Cloth 5 pack

A mixed replacement pack of cloths for both the hand and the floor nozzles. The replacement set contains two lint-free, highly absorbent and heavy-duty floor cleaning cloths made of premium cotton and three high-quality cotton covers designed especially for use with the hand nozzle.

Part no. 6.960-019.0

### Decalcifying Sticks 9 x 13g

These sticks can quickly and effectively decalcify your Kärcher steam cleaner and are ideal for reducing the appearance of lime scale. Can also be used with electric jugs and coffee machines.

Part no. 6.295-206.0

### Microfibre Cloth Set - Steam and Bath

This set contains two soft microfibre cloths intended for steam cleaning in bathrooms. The set also contains an abrasive microfibre cloth for removing stubborn limescale and soap residues, and a microfibre polishing cloth for mirrors and other smooth surfaces.

Part no. 2.863-171.0

### Microfibre Cloth Set - Kitchen

This set contains two soft microfibre cloths for optimal floor cleaning, a soft microfibre cover for the hand nozzle for easy removal and capture of stubborn dirt and a special microfibre cloth for cleaning stainless-steel surfaces.

Part no. 2.863-172.0

### Wallpaper Stripping Nozzle

Wallpaper stripping nozzle for easily removing wallpaper and glue residues with the effective help of steam.

Part no. 2.863-062.0

### Bristle Rink Set

A practical set of four round brushes in two different colours suitable for different cleaning tasks. The colours help differentiate the use of each brush, for example, to separate cleaning of sanitary facilities and the kitchen. The flexible bristles of the steam brushes can tackle any cleaning problem.

Part no. 2.863-058.0

### Bristle Rink Set (Brass)

Round brush set with brass bristles for effortlessly removing stubborn dirt and incrustations. Ideal for use on scratch resistant surfaces, i.e. BBQ's, oven racks and trays.

Part no. 2.863-061.0

### Steam Turbo Brush

This brush reduces the effort needed for cleaning and saves up to 50% of cleaning time. The mechanical cleaning action of the brush supports the cleaning effect of the steam and makes dirt removal far easier, even in difficult-to-reach crevices, corners and edges.

Part no. 2.863-159.0

### Floor Tool Kit

Convert your handheld steam cleaner into a 2in1 steam mop in just a few seconds with the classic floor cleaning kit. Simply connect the classic floor nozzle with the cloth and pipes to the SC1 and get started with deep cleaning on any hard-surface floor.

Part no. 2.885-411.0

### Comfort Floor Tool

The new "comfort" floor tool provides a flexible joint allowing the tool to tilt back for better ergonomics and cleaning performance. Suitable for all Kärcher steam cleaners.

Part no. 4.130-018.0

## Window Vacuum Accessories

### Window Vacuum Extension Pole

Telescopic extension pole set for the Kärcher Window Vacuum. Extends from 1.10m-1.90m to allow easy access to high and hard to reach surfaces. The poles are made from a durable lightweight alloy for ease of use. Suits all Kärcher Window Vacuums.

Part no. 2.633-111.0

### Extension Pole Microfibre Cloth 2 pack

Microfibre cloth for extension pole. For optimal dirt removal on all smooth surfaces. The practical replacement set contains two covers. Suits old single piece extension pole.

Part no. 2.633-109.0

### Glass Cleaner Concentrate 4 x 20ml pack

The powerful concentrated cleaning agent ensures perfectly clean windows and surfaces without leaving any streaks behind thanks to its special formula. It also lets raindrops run off more quickly and delays the accumulation of new dirt - windows stay clean even longer. Only 20ml are needed to make up 250ml (spray-bottle capacity).

Part no. 6.295-302.0

### Glass Cleaner Concentrate 500ml

For streak free cleaning of all glass and mirror surfaces. Removes stubborn stains such as grease film, finger marks and emissions.

Part no. 6.295-890.0

### Window Vacuum Microfibre Cloth 2 pack

Microfibre wiper cover for window wiper. The practical replacement set contains two covers. Suits two piece extension pole and spray bottle.

Part no. 2.633-100.0

### WV 2 / WV 5 Narrow Suction Nozzle 170mm

The narrow vacuum nozzle lets you clean into even the smallest areas, such as windows with glazing bars, glass cabinets or other narrow areas, with minimal effort. Suits WV 2 & WV 5.

Part no. 2.633-112.0

### Replacement Rubber Blades

Replacement Window Vacuum Rubber Blades - 280mm - for wide vacuum nozzle. Suits all Kärcher Window Vacuums.

Part no. 2.633-005.0

### Spray Bottle and Wiper

Replacement Window Vacuum Spray Bottle and Wiper attachment. In combination with the spray bottle, the window wiper cleans your windows without any streaks - just spray and wipe and it's done.

Part no. 2.633-114.0

### WV Charger

Replacement Window Vacuum Charger. Suits all Kärcher Window Vacuums.

Part no. 6.654-322.0

### WV 5 Charging Cradle

The WV 5 Non Stop Cleaning Kit model can be charged and stored in the charging cradle.

Part no. 2.633-125.0
