COMPACT BATTERY-POWERED SCRUBBER DRIER

BD 43/25 C Bp

- Entry level compact scrubber drier perfectly balances cleaning performance and affordability
- 25 litre water tanks with 430mm working width
- Easy to use - single switch operation for all functions reduces operator training requirements
- Slim compact design makes the BD 43/25 easy to manoeuvre and store

FROM
£35.00
per week

STEP-ON SCRUBBER DRIER

B 95 RS + 6 MONTHS FREE KÄRCHER FLEET

- 95 litre water tanks with choice of 650mm or 750mm scrubbing heads
- DOSE system automatically and precisely meters detergent depending on the floor type and soiling
- AutoFill lets the operator fill the fresh water tank unattended as the water supply is automatically cut off once the tank is full
- The unique stand-on riding position offers the cleaning efficiency of large ride-on machines, whilst remaining compact like a walk behind machine

FROM
£117.00
per week

WALK-BEHIND SCRUBBER DRIER

B 60 W Bp Dose + 6 MONTHS FREE KÄRCHER FLEET

- 60 litre water tanks and a working width of up to 650mm
- Kärcher Intelligent Key system, allows each operator to have their own customisable key. Machine speed, detergent dosing, brush pressure and water quantity settings can be pre set and locked by supervisors
- ecoefficiency mode reduces power consumption resulting in longer running times and lower noise levels
- AutoRinse enables the machine to self clean its tank after operation
- AutoFill lets the operator fill the fresh water tank unattended as the water supply is automatically cut off once the tank is full
- Multiple configurations available

FROM
£82.00
per week
