BRS 40/1000 C Scrubber Compact and powerful

All-round scrubber with roller brushes.

Kärcher's BRS 40/1000 C can be used on all hard surfaces for deep cleaning and general cleaning. The universal scrubber can also be used for stripping, crystallising, shampooing and polishing.

Cylindrical brushes

Clean down to the crevices:

The BRS 40/1000 C cleans even crevices flawlessly because of its high contact pressure and clever double roller system.

Ideal for edges and corners:

The counter-rotating rollers keep the machine from wandering. This makes it easy to clean even edges and corners.

Water tank included:

A 2.5 gallon (10 liter) fresh water tank is included in the delivery. The fresh water pump ensures the uniform application of the cleaning agent.

The large wheels make it easy to transport the BRS 40/1000 C. When folded it can even fit into a normal-sized car.

Standard Accessories (included):

12 Gauge Power Cord 24'

Optional Accessories:

- Standard Red Roller Brush (2)
- White Soft Roller Brush (2)
- Orange Hi-Lo Roller Brush (2)
- Green Heavy-Duty Grit Brush (2)
- Roller Pad Shaft (2)
- Yellow Roller Pads (2)
- Red Roller Pads (2)
- Green Roller Pads (2)
