

BDP 51/2000 C 2000 RPM Floor Burnisher

BDP 51/2000 C Floor Burnisher

Fast speed for instant high gloss shine.

When only the best will do, choose a BDP 51/2000 C burnisher, there will be no disappointments. Perfect and consistent gloss results are achieved with a floating handle which maintains a constant pressure on the floor. For a healthier work environment, this machine utilizes a disposable paper bag dust control system. Power is supplied to the floor by a 1.5 HP rectified DC motor with direct drive, no belts or gears to maintain or service. Two sets of large 5" wheels provide superior mobility, the high quality cast aluminum chassis will withstand years of punishment in commercial burnishing applications. A 75' power cable means more burnishing and less searching for wall outlets.
