

BRC 38/30 C 15" Self-Contained Carpet Extractor

BRC 38/30 C Carpet Extractor

Brush setting adjusts to 8 cleaning positions.

A Kärcher BRC 38/30 C will quickly remove dirt and grime from your carpets with minimal effort and at a very affordable cost. The extremely rugged rotocast chassis and solution tanks, combined with a high quality cast aluminum pick-up shoe will endure commercial cleaning challenges for years. Simplified controls, fast set up, easy to use operation means a very short period of training time for unskilled operators, while providing consistent professional results each and every time. In addition, this machine offers many other outstanding features such as no-tool high pressure jet and power brush removal, easy to install accessories for spotting, stair and furniture cleaning.
