B 60/10 eco! 24" Maintenance Free Auto Mop

B 60/10 eco!

Filling the gap in floor scrubbing

The Kärcher B 60/10 eco! is in a unique category of cleaning equipment designed to fill the need between a mop and bucket and an auto scrubber. This machine cleans 5 times more effectively than a mop and bucket and is less expensive than an auto scrubber. In addition, where auto scrubbers are in use, the Auto Mop can fill a need for effective and safe cleaning between regular scrubbing.

The B 60/10 operates by dispensing clean solution on the floor and picking it up via a manually-powered pump. No power source is needed, making this an easy and green cleaning solution to cleaning floors.

 <p>Detail configuration</p> <p>Compact areas that require a mop for detail work.</p>	 <p>Productivity configuration</p> <p>Large areas with smaller detail work required.</p>	 <p>Hygienic configuration</p> <p>Ideal for areas where hygiene is of utmost importance.</p>
<p>Bathrooms • Locker rooms • Kitchens Classrooms • Vet clinics</p>	<p>Cafeterias • Entry ways • Classrooms Spills • Hallways • Wrestling mats</p>	<p>Patient rooms • Retirement homes Gymnasiums</p>

Simple yet effective.

1 Water is gravity fed from solution tank.

2 Water spreads into scrubbing area and is recovered by mechanical pump.

3 Drive wheel operates pump as machine is moved.

4 Dirty water is pulled through recovery hose and collected in recovery bucket.

5 Reclaimed water is kept separate from clean water promoting a cleaner hygienic process.
