

# BR 40/10 C Cylindrical Floor Scrubber

# BR 40/10 C Cylindrical Floor Scrubber

## The most economic machine in its class.

Just like a full size automatic floor scrubber, our BR 40/10 C will thoroughly deep-clean all your hard floor surfaces then leave them perfectly dry, safe and hygienic. Twin high speed roller brushes allow cleaning in both directions, perfect for commercial kitchens, under desks, washroom areas, showers, production machinery, food processing plants, the possibilities are limitless. Simply fill the BR 40/10 C with cleaning solution, plug into any 120V wall receptacle and scrub. Solution tanks detach from the chassis which allows the machine to remain at the work site, saves time and effort. Transporting or moving up and down stairs is extremely easy with snap on wheels which are stored on the operating handle.
