

B 250 R
40" or 48" Ride On Automatic Scrubber

B 250 R Ride-On Scrubber

Powerhouse on three wheels.

Kärcher's new B 250 R Ride-on Scrubber is the ideal solution for hard surface cleaning of large facilities. It is fully configurable and has replaceable brush heads that are impact protected, impact resistant and corrosion resistant. The B 250 R offers the versatility of roller brushes in 40" or 48" with an integrated sweeping attachment or a traditional 40" disk brush head. Superior operational ease is complimented with an ecoefficiency mode, longer run times, tight turning radius, fresh water filling system and high degree of maneuverability.
