

NT 35/1 Self-Cleaning Wet/Dry Vacuum

NT 35/1 wet/dry vacuum

Effective, robust with a self-cleaning filter.

Our NT 35/1 provides dependable trouble-free operation utilizing self-protecting features unlike any other commercial wet dry vacuum available on the market today. A patented filter mechanism allows continuous fine and coarse dust retrieval. This function is performed automatically while the machine is in use and suction remains constant throughout the entire job. This unit can effectively handle fine dust and any kind of dust and debris encountered in commercial cleaning applications. No filters or inserts to install or remove when switching from wet to dry work, or back again. Nothing for the operator to remember or forget which means no accidental damage to the machine. An electronic tank level monitor shuts the vacuum motor off completely when maximum capacity is reached, including light detergent foam.

Model	Order #
NT 35/1 9 gallon wet/dry vacuum with attachments	1.184-854.0

Technical Data	
Vacuum motor	1265 watts (max.)
Air flow rating (CFM)	120
Water lift rating	88"
Tank capacity	9 gallons
Noise level	64 dB(A)
Cord length	25 ft
Weight	25 lbs
Dimensions (l x w x h)	19.8" x 14.5" x 22.8"

Standard Equipment	
8' x 35mm Vacuum hose	4.440-626.0
Metal wand (2 x 19.6")	6.900-514.0
Crevice tool - Plastic, 9.85"	6.906-240.0
Plastic floor tool with squeegee blades & bristle strips, 11.8"	6.906-512.0
Standard dust filter element	6.904-367.0
Dry paper filter bag (5-pack, 1, one bag included with unit)	6.904-210.0

Applications

- Food processing
- Contract cleaners
- Supermarkets
- Retailers
- Warehouses
- Craftsmen
- Workshops
- Construction

Optional Accessories

Heavy duty plastic floor tool 14"	6.906-513.0
Heavy duty metal floor tool 14"	6.906-384.0
Stainless steel wand (2 pcs. required)	6.902-046.0
Upholstery tool	6.900-233.0
HEPA dust filter element	6.904-242.0
Waterproof dust filter element (PES)	6.904-360.0
Fleece filter bag for fine dust applications (5-pack)	6.904-351.0
Wet filter bag-for damp or wet applications (5-pack)	6.904-211.0
Plastic tank liner inserts for HEPA applications (10)	6.596-886.0
13.1' Vacuum hose	6.906-241.0
32.5' Vacuum hose	6.906-242.0
Hose end repair Kit	2.639-682.0
Curved pipe tool (4" diameter)	6.903-035.0
Curved pipe tool (8" diameter)	6.903-036.0
Vehicle interior cleaning tool	6.906-108.0
20" Metal crevice tool	6.900-922.0
Turbo floor tool-10.6", suction driven	2.860-114.0
Dusting brush 35 mm	6.903-862.0
Squeegee blade	6.903-277.0
Brush strips	6.903-278.0
Anti-Static plastic handle	5.031-939.0
Adaptor	6.902-072.0
