

T 12/1 Dry Canister Vacuum

T 12/1 Dry Canister Vacuum

Eco-efficient! Low sound level and energy saver .

High performance commercial canister vac provides outstanding suction and airflow characteristics along with extremely quiet 61 dB (A) operation. Used in conjunction with our unique tear-proof fleece filter bag the T 12/1 features six levels of fine dust filtration, assuring a pleasant and healthy environment upon completion of vacuuming duties. Handy cord recess allows convenient storage around the vacuum head, plus an additional pull out hook. Light weight design with integrated handle for effortless carrying up and down stairs or lifting into vehicles.
