

AB 84 Blower / Floor Dryer

AB 84 Blower / Floor dryer

Fast drying. Ideal air distribution.

From floor to ceiling our Kärcher AB 84 will quickly dry hard floors, carpet, upholstery, textiles, drapery, even flooded drywall. A powerful 3-speed fan is mounted inside the high quality, high durability rotocast poly housing. You simply dial in the desired air movement setting and the AB 84 quietly goes to work. Standard equipment includes a handy clasp for underneath the carpet drying applications, plus a foldable handle for effortless transporting, no lifting or carrying required.
