

# KÄRCHER

makes a difference

## SPRING OFFERS FOR CONSTRUCTION FROM THE CLEANING EXPERTS.

PROFESSIONAL | 2017

VALID FROM APRIL 1<sup>ST</sup> UNTIL JUNE 30<sup>TH</sup> 2017

Designed to meet the tough demands of the construction industry, Kärcher machines, accessories and detergents offer high-performance cleaning of vehicles, yards, buildings, plant and machinery where conditions are tough and time is of the essence.

Silica is a natural mineral present in sand, sandstone and granite. It is also commonly found in many construction materials such as concrete and mortar. According to research conducted by the HSE, it is estimated that silica dust may be responsible for the deaths of over 500 people each year who have worked in construction.

The HSE also estimates that around 4,000 people die every year from Chronic Obstructive Pulmonary Disorder linked to work. Construction workers are one of the at-risk groups within this because of the dust that they breathe. Along with using appropriate PPE, using

the correct cleaning machines can help to combat the risks associated with working in high dust environments. Kärcher's range of machines for construction are designed to help safely remove and minimise dust whilst creating a clean and tidy working environment.

MORE DUST CLASSES AVAILABLE

### 45 LITRE WET & DRY VACUUM CLEANER M CLASS NT 45/1 Tact Te M (110V)

- Approved for hazardous M class dust
- Integrated power socket for power tool dust extraction featuring adjustable air flow

- Cold water pressure washer with 4-pole long-life 110V motor
- 240-600 l/h flow rate and bar pressure for excellent cleaning performance
- Featuring EASY!Force trigger gun

SSP  
**£ 1,171.00**

FROM  
**£ 8.40 p/w**

## ZERO FORCE. FULL POWER.

Introducing the new EASY!Force trigger gun.

Only one thing should come between you and your cleaning task: our new EASY!Force trigger gun. It gives you the power to use high pressure with ease. The revolutionary operating concept of the EASY!Force trigger gun uses the recoil force of the high-pressure jet and reduces the holding force for the trigger to zero. Absolutely zero. Designed for effortless, ergonomic and stress-free use.

Easy!Force is compatible with all Kärcher pressure washers\*, offering a new dimension in control and ergonomics, letting you clean effortlessly and with less stress, so you can focus on getting the job done.

Try our EASY!Force trigger gun - you won't want to put it down.

\*up to 300 bar, adapter may be required

## COLD WATER PRESSURE WASHER

### HD 4/9 P (110V)

- Light weight, compact and powerful - perfect for quick cleaning tasks where mobility is key
- Design enables stand-up or lie flat operation
- The dirt blaster with rotating pencil jet offers 10 times better cleaning performance and increased area performance
- Quick jobs made easy with 390 l/h flow rate and 90 bar operating pressure

SSP  
**£ 380.00**

FROM  
**£ 2.70 p/w**
