STEAM CLEANER SG 4/4 (240V & 110V)

- Hygienic cleaning without the need for chemicals; protects both the operator and the surfaces treated from aggressive cleaning agents.
- Certified to kill 99.999%* of bacteria without the need for chemicals
- Continuously refillable tank prevents work interruptions by allowing non-stop cleaning
- VapoHydro function allows the steam level to be adjusted to the cleaning task. Both steam pressure and saturation level can be adjusted from full steam to hot water. With the hot water jet, even stubborn dirt can be effectively dissolved
