ZERO FORCE. FULL POWER.

-  EASY!Force
-  1 • 360° EASY!Lock
-  5x UPGRADE FULL CERAMIC VALVE

Only one thing should come between you and your cleaning task: our new EASY!Force trigger gun. It gives you the power to use high pressure with ease. The revolutionary operating concept of the EASY!Force trigger gun uses the recoil force of the high-pressure jet and reduces the holding force for the trigger to zero. Absolutely zero. Designed for effortless, ergonomic and stress-free use.

Easy!Force is compatible with all Kärcher Professional pressure washers*, offering a new dimension in control and ergonomics, letting you clean effortlessly and with less stress, so you can focus on getting the job done.

Try our EASY!Force trigger gun - you won't want to put it down.

*up to 4350 psi / 300 bar, adapter may be required.
