

# KÄRCHER

makes a difference

## QUIET AND EASY TO OPERATE.

Simple vacuum and high performance for commercial use.

# Quiet and simple.

This machine is a supremely robust, functional and powerful dry vacuum cleaner for professional users with optimal ergonomic properties and a compact construction, which is developed for the specific needs from hotels, gastronomy, contract cleaners and retail.

## 1 More Capacity

- The device comes with a fleece filter bag. This takes in significantly more dust than conventional paper filter bags.

## 2 With and without filter bag

- The large, round permanent main filter made from washable nylon is extremely resilient and thick enough to allow vacuuming even without filter bag over a certain period of time.

# Technical Specifications and Order Numbers.

## T 10/1

- Main filter made of washable nylon
- Space to stow accessories on-board
- Easy transport with four wheels/casters
