

KÄRCHER

makes a difference

STEER YOUR CARPET TOWARDS CLEAN.

Get unbeatable carpet extraction value with the BRC 46/76 W.

Guide your carpet back to its original state.

Get an unbeatable value and a powerful carpet extractor with the BRC 46/76 W. This highly productive model cleans at 5,000 square feet per hour so you can do more with less. It's a unique vacuum shoe provides better recovery and faster dry times, allowing you to open your floors for traffic sooner.

1 Get an unbeatable value and powerful carpet performance extraction value

- Performance breakthroughs and ergonomics create a carpet extractor that maximizes operator productivity
- Unique Penetrator™ vacuum shoe design provides superior solution recovery and faster dry time
- Cleans 5,000 square feet per hour
- The most value per gallon capacity in the industry

2 Get more done in less time

- 20-gallon capacity reduces drains and refills
- Easy-to-use controls reduce training time and increase productivity time
- Low profile and compact design allow exceptional maneuverability in small areas
- Large solution opening and clear dome save time and maintain peak performance
- Self-propelled design for consistent operator productivity

3 Intuitive and user-friendly

- Quick-change solution jets for easy maintenance and accessory tool connection for increased versatility
- All-in-one controls and ergonomically designed handle simplify use and increase operator comfort
- Externally mounted solution filter is easy to access

Technical Specifications and Order Numbers.

BRC 46/76 W

- Convenient fingertip controls for operator comfort
- Recovery tank lifts off for easy dumping
- Floating vac shoe follows the contour of the floor for better results
- Deep extraction performance, durable design
