

KÄRCHER

makes a difference

RIDE-ON PRODUCTIVITY MEETS WALK-BEHIND AGILITY.

Experience the best of both worlds with this compact ride-on scrubber.

PROFESSIONAL | BD 50/70 R BP

Ride anywhere with the agile BD 50/70 R Bp.

We designed the BD 50/70 R ride-on scrubber for tight congested areas that need maneuverability and productivity in one package. This value conscious machine will provide you with years of quality scrubbing without breaking the bank. Every aspect of this machine has been streamlined to provide the best scrubbing at the best price.

1 Slim and compact

- At only 52 inches long, this is the most compact ride-on scrubber in our line-up.
- Even though it may be a smaller machine, it does not lack in productivity. It cleans at a rate of 18,830 ft²/hr.
- Compact size allows for easy turning and a clear view of the area you are cleaning.

2 User comfort

- Unlike many competitors, we created an ergonomic, comfortable machine that can be used for several hours.
- High quality seat material is designed to be used for full shifts.

3 Priced right

- This is an excellent solution if you appreciate the productivity of a ride-on but you need the compact agility of a walk-behind scrubber
- Costs as much as a walk-behind scrubber

4 Easy-to-use

- Compact size allows for hassle-free transportation from location to location
- Intuitive operator interface makes training quick and painless
- Our standard Homebase system secures commonly used items on the machine, resulting in fewer trips back to the janitor's closet.
