

# AP 100/50 M Multi-Surface Cleaning Machine

# AP 100/50 M Multi-Surface Cleaning Machine

## Highly mobile for multi cleaning-challenges.

Dramatically increase your appearance levels and sanitation standards without increasing cost. Our AP 100/50 M multi-surface machine makes this possible by conquering numerous cleaning challenges with surprising efficiency and impressive speed. One machine deals with every imaginable surface, from floor to ceiling, including carpet and grouted areas. A highly mobile, compact design provides easy access into washrooms, offices, patient rooms, kitchens, locker rooms, any area that requires fast cleaning and meticulous results. The large 29 gallon solution tank means less filling and emptying, more cleaning.
