Sales & Service PAN INDIA

Kärcher Cleaning Systems Private Limited

Kärcher from Germany is the world's leading cleaning solution provider and is active in over 190 countries through subsidiaries and distributors. Its 22 own factories throughout the world produce state-of-the-art machines. For nearly 80 years the company has been developing innovative cleaning solutions. 95% of all products sold are less than 5 years old.

Kärcher machines have been sold to customers in India for 20 years now. In 2011 Alfred Kärcher GmbH & Co. KG from Germany acquired their distributor in India. Today, Kärcher Cleaning Systems Pvt. Ltd, with its registered office in Delhi and Head Office in Noida, UP is a fully owned subsidiary. Kärcher India has 11 branches, 4 additional satellite offices and own 19 service points throughout India with trained sales and service staff. Kärcher India plans to increase its presence across the country by adding more branches in other cities. The branch staffs are well supported with infrastructure like demo machines, inventory of machine and spare parts, at all locations. All centralized functions like product management, service support team, trainers and customer help-line is based at the Head Office in Noida. The central warehouse of the company which stocks machines and spare parts is also located in the Head Office.

Kärcher India has also a most modern "Kärcher Academy", which can accommodate up to 80 people and is being used for customer seminars, sales and service training, special cleaning educational seminars and other similar gatherings.
